Walking on Water

Fear, Doubt, and Faith

FAITH 5

**SHARE:** Your highs and lows from the past week.  
Where did you see God at work this week?

**READ:** Matthew 14:22-33

**TALK:**

- What sticks out to you in this Gospel reading and why?
- What role has water played in the church?
- What role has water played in other Bible stories?
- What role does water play in this reading?
- Do you think it was fair for Peter to tell the Lord to prove it was indeed the Lord?
- Describe a time when you challenged God to prove God was there. What was the outcome?
- Why does Peter start sinking? What causes us to "sink" and what does that "sinking" (or even "drowning") feel like and look like?
- Activity: Find another Bible story where the main character doubts God and then regains their faith. Bonus: Act the story out!

**PRAY:** Pray for each other's highs and lows!

**BLESS:** Bless one another with the sign of the cross saying "You are a child of God!"
