

For the week of
November 15, 2020

How do you use your talents?

SHARE: Your highs and lows from the past week.
Where did you see God at work this week?

READ: Matthew 25:14-30

TALK:

- There are 2 definitions for "talent." What was a talent in our parable, and what is a talent today?
- What choice did each man make and what was the result? What would you have done if you were one of the men?
- What surprised you about this story?
- Why do you think Jesus told this parable? What was he trying to tell people at that time?
- How does this parable speak to YOU in 2020?
- What talents do you have and how do you use them in different places (church, school, work, home, etc.)?
- **Activity:** With another person or more, talk about what talents you see in each other! Are you surprised by what others say are your talents? How might you explore these talents that God gave you and how might you use them?

PRAY: Pray for each other's highs and lows!

BLESS: Bless one another with the sign of the cross saying "God gave you unique talents!"
